Timely Approvals, Smarter Business

ENABLING BUSINESSES
To Meet Global Standards

We manage the entire certification lifecycle — from documentation preparation and application filing to coordination with regulatory authorities and final approval.

- **BIS ISI Certification** — Domestic & Foreign (FMCS)
- **BIS CRS Registration** — Electronics & IT Products
- **BEE Registration** — Energy Efficiency
- **EPR Registration** — Plastic, Battery & E-Waste
- **WPC ETA Approval** — Wireless Equipment
- **CDSCO, Peso, SASO, CE & Legal Metrology**

Government Approvals & Import NOCs

Certain products require regulatory clearances or No Objection Certificates (NOCs) from government ministries before they can be imported into India. Our team ensure proper documentation, compliance verification, and coordination with government authorities for timely approvals.

Ministry of Steel

NOC for steel and metal product imports

DPIIT

Clearances for regulated product categories

Ministry of chemicals and fertilizers

Approvals for chemical & petrochemical imports

MeitY

Clearances for electronics and IT-related products

Trade Compliance & Customs Support

Streamlined Import Operations

International trade regulations require strict compliance with import policies, certification requirements, and customs procedures. Our team provides professional support to ensure businesses comply with Indian import regulations.

- Import compliance assessment
- Regulatory documentation preparation
- Product compliance verification
- Customs clearance support
- Regulatory advisory for importers & manufacturers

EMINENCE GLOBAL COMPLIANCE GROUP
